

PRESS RELEASE 2

LEARN: 1st (Kick Off) Project Meeting (Online), 5-6 March 2020

Due to the COVID-19 pandemic, the consortium was obliged to implement the kick off meeting of the project as online meeting through Zoom, on the 5th and 6th of March 2020.

During the meeting, the partners met each other for the first time and introduced their organisations to the consortium. The coordinator presented the philosophy, aims and objectives of the project as well as the work packages and relevant activities.

Emphasis was placed on WP3: “Implementation of Research to Identify the Views of Employers and Employees as far as Learning in the Workplace is Concerned”. The research in this work package will be implemented through focus groups with Employers/Employer Representatives and Employees. Project management and financial issues of the project were also discussed.

The consortium looks forward to meeting each other in person.

LEARN is implemented with the support of the European Commission.

The screenshot shows a Zoom meeting interface. In the top right corner, there is a small video window of a woman and a name tag for 'MMC' (Management Manager). The main content is a slide titled 'Target groups'. At the top of the slide is the text 'Organisations (employers)'. Below this is a Venn diagram consisting of three overlapping circles in shades of green and yellow. Surrounding the diagram are several text boxes listing target groups: 'The general public', 'Opinion leaders at the National level', 'Policy makers at the National level', 'Employees of organisations', 'Other chambers and other employer representatives in the countries of the consortium', and 'Other VET providers in the countries of the consortium'. At the bottom of the slide, there is a logo for 'ORGANISATIONS INTO Learning Workplaces' and a logo for the 'Erasmus+ Programme of the European Union'.
