

PRESS RELEASE 8**Finally LEARN partners meet in person**

Finally! The LEARN project partners met in person for the first time since the launch of the project back in January 2020.

During the two days, 21-22 October 2021, project partners gathered in Nicosia (Cyprus) to brainstorm on the success factors for cultivating a positive attitude towards Learning Workplaces among employers; on the most appropriate activities that organisations need to undergo in order to transform into Learning Workplaces; and on the components of the certification regulation for Learning Workplaces to be developed through the LEARN project.

Start following us to stay up to date with our upcoming activities, and keep visiting our [project website](#) for our deliverables.
